

NATURAL HISTORY OF RAPTORS

A FIVE PART SERIES OF LECTURES

by Alida Morzenti, Former Director of the U.C. Davis Raptor Center

Please Join Us

... for a fascinating and informative series of lectures on the natural history of these unique birds. A well-known and sought after expert in the field of Raptor Biology, Alida enhances her lectures with slides and stories from her decades of experience working with raptors. The lectures will cover migration, identification, natural history, husbandry and falconry. The lectures are free (donation requested) and open to the public.

Lecture Dates

Friday, Sept. 3
Friday, Sept. 10
Friday, Sept. 17
Friday, Sept. 24
Friday, Oct. 1
